

Monday 27th April 2020

The Counting House

50 Cornhill, London, EC3V 3PD
(in The Griffin Room)

Technical Evening Meeting @ 18:30
(Food served at 19:30)

HE/IAT pavement engineer certification

Naseera Thompson, from Highways England, will provide an overview of the new 'Certificate of Competency in Pavement Engineering' which has been jointly developed by the Institute of Asphalt Technology and Highways England.

The evening will be preceded, at 18:00, by The South East Branch's Annual General Meeting

A finger buffet will be provided after the presentation @ 19:30
