

The Institute of Asphalt Technology

Paving the way

The Institute of Asphalt Technology (IAT) GOLDEN AWARDS Initiative

Calling all taught graduates and final year students!

The IAT is pleased to announce annual prize awards for the best dissertations by taught graduates and final year students from colleges and universities in the UK and Ireland.

The prizes will be awarded as follows:

IAT Golden Branch Awards-

Awarded by each IAT branch
(9 prizes, each valued £500/Euro equivalent)

IAT Golden Presidential Award-

Awarded by IAT Council
(1 prize, value £1000/Euro equivalent)

The Golden Awards were set up as part of the 50th Anniversary of the founding of the IAT in 1966.

The awards will be based on dissertations which deal with *Pavement Engineering* including, but not limited to *construction methods, materials, surfacing techniques, pavement construction, pavement maintenance, test methods, pavement design and analysis of social/environmental considerations etc.*

Further information is available at the IAT website
